Subject: Job Application

Dear,

Being currently looking for a job, I have the honor to ask for your high benevolence to accept my candidacy.

Hardworking, rigorous and available, it is with optimism that I apply to integrate your Company. Possessing an unflinching motivation, I will be able to carry out the various missions that you will entrust to me.

Social and attentive, I know how to adapt to a situation in place and could thus integrate myself without the slightest problem into your team.

My lack of professional experience does not affect my desire to occupy this position and pushes me, on the contrary, to prove myself.

This first job will mark the active life, the fullness of which is in my hands.

I remain at your disposal for any further information, or to meet you during an interview.

Please accept (Madam, Sir), the expression of my sincere greetings
